Professional Summary

Enthusiastic Computer Science graduate with experience in Java, Spring Boot, REST APIs, SQL, and microservices. Built secure, scalable, and production-ready projects including authentication systems, microservice-based apps, and backend automation solutions. Seeking to contribute as a **Software Engineer I at Mastercard**, leveraging strong problem-solving skills, proactive mindset, and passion for secure and high-performance software development.

Skills

- **Programming:** Java, Core Java, Python
- **Frameworks:** Spring Boot, Spring MVC, Hibernate, JPA
- **Web Technologies:** REST APIs, JSON, Angular, JavaScript, CSS
- **Databases:** MySQL, MongoDB, PostgreSQL, Oracle (basic), PL/SQL
- **Architecture:** Microservices, API Gateway, OAuth 2.0, Event-driven Systems
- **Tools:** Postman, IntelliJ, Eclipse, Git, RabbitMQ, Kafka
- **Cloud:** Basic understanding of cloud-based application development
- **Agile Methodologies:** Scrum, Kanban

Technical Experience

Backend & Data Science Intern – Xscientist

Sep 2023 – Feb 2024

- Automated news data scraping pipelines using Python, extracting insights for decision-making.
- Designed and maintained backend services ensuring scalability, reliability, and performance.

Projects

IRCTC App – Spring Boot, REST API, MySQL, Angular

- Built admin/user modules with secure JWT authentication.
- Designed database models, full CRUD operations, and integrated Swagger for API documentation.
- Developed a Single Page Application using Angular with PrimeNg components for enhanced UX.

Quiz App – Microservices & AI Integration

- Developed microservices architecture with API Gateway, Config Server, and Discovery Service.
- Implemented OAuth 2.0 authentication (Google/GitHub login) and resilience patterns such as Circuit Breaker & RateLimiter.
- Enabled event-driven communication using RabbitMQ and Kafka for scalability.

Education

B.Tech – Computer Science & Engineering, Chh. Shahu College of Engineering, DBATU Lonare University
CGPA: 6.5

HSC (Science): 79%, Saint Janardhan Swami College, 2021

SSC: 75%, Saint Meera School, 2019

Certifications

- NPTEL: Programming in Java, DBMS, C — Recognized as NPTEL Discipline Star
